Rel File No 7670/1 of 1941 | General and Revenue Secretariat

5 In the ordinary course of things, it would be inappropriate to promote a gardener on Rs 15 as a bill collector on Rs 15-1-20 The latter post requires some educational qualification and is also of superior service It is not clear why he may not be appointed as a Head gardener on Rs 15-1-20 in his own line We propose merely the transfer of the individual from the inferior to the superior service His case is recommended as a special one for promotion in view of his long service, local knowledge and good experience in collection work It appears he has already been tried as a bill collector and found not wanting In the circs, the recommendation of the Deputy President of the Davanagere Taluk Board supported by the DC is for orders
